The president, Kolar muslity reports that no objections were received against the proposed amendments to bye laws re introduction of licensing system on Hotels, Coffee clubs etc

The amended bye-laws were compared with those in force in Subbe muslity bye-law no XV seems to be unnecessary bye-law no (xxii) requires modification the proposed fine of Rs 50/- seems to be rather high nos (ii), (v), (ix) also require some modification the other bye-laws call for no remarks

As regards amended bye-laws re introduction of license for manufacturing ice and aerated waters, bye-law no V requires modification, the proposed fine of Rs 50/- for the breach of these bye-laws seems to be high
